

July 2023

It's finally here!

Our NEW Jude's Miracle Clay Cleanser is rolling out of our warehouse to retail stores now!

It's AMAZING and 100% biodegradable, made from natural ingredients with no phosphates so it is safe for septic systems, you and the environment!

It is gentle on your skin and safe to use around your children and your pets.

The fresh lemon scent is from the essential oil of lemons. No toxic chemical fragrances!

This ultrafine natural clay cleanser will not only clean & polish, it also protects your surfaces. It is a multi-purpose cleanser for almost any surface.

When you need a little more muscle to clean. It's a tough yet very gentle cleanser. You can use it on your delicate silver finishes then go and clean your BBQ lid, pool liner and boat with the same amazing results!

HOW TO USE: Wet the included sponge, rub over the cleanser, squeeze to foam-up, clean your surface, rinse well and finish with a Jude's Miracle Cloth. Beautiful!

It gets rid of lime scale, grease, burnt stuff on your pots and pans, soap scum, scuffs on your running shoes, tough dirt on your golf clubs, dead bugs on your garden furniture or windshields even removes tree sap on your outdoor furniture and your car!

*Clean your silver, copper, chrome, pewter, brass, gold, aluminum, enamel, crystal, metal jewelry, picture frames, silverware, cutlery, sinks, pots & pans, stainless steel, stone countertops, acrylic, ceramic glass stove tops, inside oven doors, shower doors, tiles, grout, vinyl, toys, patio furniture, BBQs, bicycles, cars, truck & car wheel rims, ATVs, jet skis, boats, outdoor spas and pool vinyl liners and so much more.....

Jude's Miracle Cloth

Built on the foundation of providing quality products that actually work and eliminate the need for harmful chemicals in your home, Jude's Miracle Cloth will help you to achieve the clean you've always dreamed of.

As a family company, we've done our due diligence to ensure that our products are not only effective, but are also **safe to be in your home and around your loved ones.**

Reduce your household waste - replace paper towels & countless cleaning products
Clean without harsh chemicals by simply using water

Remove bacteria chemical free - scientifically proven to **remove 99.9% of bacteria** from surfaces with water alone

Traps dirt, dust, grease and spills - absorbs up to 400% it's own weight.
Holds in particles until washed.

Baby and Pet Safe - Keep high touch surfaces in your home safe and chemical-free for children & pets

Premium European lint-free & scratch-free microfiber - perfect for windows, mirrors, plexiglass, eye-glasses, TV's, cell or tablet screens, electronics, cars, boats, stainless steel, all countertops & much more.

Glass and surfaces will dry spotless and streak-free
